From

K. MATTHAN Esq.,

Food Controller in Mysore,

BANGALORE.

To

C. S. Balasundaram Iyer, Esq., B.A.,

Chief Secretary to the Govt. of Mysore,

B a n g a l o r e.

Sir,

With reference to your letter No. G.13344/P.P. 134-18-185 of the 9th January 1919, I have the honour to forward herewith a copy of letter No.826 of the 30th ultimo from the President of the Municipal Council, Mysore City and of its enclosures, from which it will be seen that there was no delay in handing over or taking over of stocks.

I have the honour to be,

Sir,

Your most obedient servant,

Matthan

Food Controller in Mysore.

KM/MPH.

Letter No. 826 dated 30th January 1919, from the President, City Municipal Council, Mysore, to the Food Controller in Mysore, Bangalore.

With reference to your letter No.2117 dated the 11th January 1919 regarding "delay in the handing over of stocks from the Provincial Depot to the Municipal Depot," I have the honour to state that this is apparently a question from somewhere but not found in my weekly report of the Food Situation for the week ending 28th December 1918 as therein stated.

There does not seem to have been any such delay in handing over or taking charge of such stock. Copies of Mr. Vasudeva Rao's report (and of its enclosure) on the subject are herewith forwarded for information.

With regard to the letter No.2117 dated 11th January 1919 calling for information as to the delay in taking over stocks, I beg to state as follows:-

There was a proposal to remove the Municipal Depot to the Chatram buildings after the removal of the Provincial Grain Depot from there to the Exhibition buildings and so it was thought advisable to continue the stock intended for the Municipality in the Chatram buildings to save carthire and the stocks of ragi and rice even after the transfer of charge continue to remain there even to-day though some of them were removed.

Besides the enclosed copy of the letter of the Provincial Grain Depot Officer dated 7th January 1919 makes it plain that there has been no delay in the transfer of charge as it took place the next day after the receipt of the letter.

Sd/- V. S. Vasudeva Rao,
19th January 1919.

There are 80 bags of old Sanna rice and 965 bags of ragi and 11 bags and odd of jola ready arranged in Chattram rooms for delivery to you. I request you will take charge of them at your earliest convenience. I shall be obliged if you can kindly do it to-morrow morning at 8 A.M.
